

ENSURING A **SANITISED ENVIRONMENT**

introduces the
SUPPLY STATION RANGE

Are you looking for a safe and effective way to provide your staff, visitors, students and clientele with face masks? Our **"Supply stations"** can help improve safety standards in your premises during the COVID-19 pandemic and after. Our vending machines can be installed in the most convenient locations throughout your premises providing easy access for staff and visitors allowing for social distancing, helping you protect your staff, customers and students.

CONVENIENCE ON THE GO!

We understand that during this time of uncertainty, a lot of changes and expectations have been placed on us. In order to support the local Community, **Sanitise Ireland will install, refill and maintain these machines free of charge**, in your chosen location. **There are no up front costs.** We simply deliver one of our vending machines to your premises 'free of charge,' service and maintain whenever necessary.

PERFECT FOR ANY LOCATION:

Schools & colleges • shopping centre foyers •
hotel lobbies, restaurants & bars • offices •
hospitals & healthcare facilities

Safeguarding your living & working environment!
